PHILIPS

## Over-ear wireless headphones

Natural sound. Dynamic Bass

Comfort over-ear fit

Adaptive Noise Canceling

Up to 80 hours play time

TAH6000BK

# Immerse in comfort

Stay focused with the over-ear adaptive noise-canceling headphones built for years of comfortable use. Wear them wireless to immerse in warm, natural sound on the go. Or attach a cable and immerse in Hi-Res Audio when listening wired.

**Over-ear wireless headphones. Daily companion.**

- Great sound even at low volume. Listen wirelessly or with a cable
- 40 mm drivers and Dynamic Bass
- Immerse yourself freely with Adaptive Noise Cancelling
- Comfortable fit and replaceable components for years of use

**Stable wireless connectivity. Hi-Res Audio when wired.**

- Bluetooth® 6.0, Android Fast Pair, Microsoft Swift Pair
- Stable Bluetooth® multipoint connectivity and easy pairing
- 3.5 mm headphone jack and USB-C port for wired listening
- Up to 80 hours of play time (50 with noise cancelling on)

**Clearer calls and intuitive in-app equaliser**

- 5-mic technology. Clearer calls, even in noisy locations
- Philips Headphones app. Customise your experience
- Warm, natural sound. Philips sound signature
- GRS-certified recycled plastic. Responsible packaging

# Highlights

### Wireless or wired listening

Custom-tuned 40 mm drivers and Dynamic Bass combine to deliver great sound with full, rich bass even at low volumes. To enjoy high-resolution sound, you can listen using the 3.5 mm audio cable (included) or via USB-C.

### Adaptive Noise Cancelling

Adaptive noise cancellation quickly reacts to your surroundings to suppress external noise, including wind, in real time. If you want to hear what's going on around you, Awareness Mode lets outside sounds back in. Quick Awareness enhances voices, so you can have a conversation without removing your headphones.

### Long-lasting comfort

Soft PU leather ear cups and a soft, adjustable headband give you a super-comfortable fit. For the best acoustic seal and comfort, you can replace the memory-foam ear cushions if they wear down over time. You can also replace the headphones' rechargeable lithium-ion battery when it reaches the end of its life.

### Bluetooth® 6.0

Compatibility with the latest Bluetooth® 6.0 devices lets you stream without annoying dips in sound, and you can connect to two devices at once. Android Fast Pair and Microsoft Swift Pair are also supported.

### Up to 80 hours (with ANC off)

With noise cancelling off, you can get up to 80 hours of play time from a full charge, and with noise cancelling on, you get up to 50 hours. For a quick boost, charge for just 5 minutes to get an extra 4 hours.

### 5-mic technology

These headphones boast a five-mic setup, and two of those mics plus an AI noise-reduction algorithm combine to bring you super-clear calls. Even if you're on a busy urban street on a very windy day—your voice will come through clearly, and the person you're speaking to won't be distracted by what's going on around you.

### Philips Headphones app

Feel like your music's missing something? Our companion app features EQ, an intuitive equaliser that lets you tweak the sound and explore different EQ settings using your fingertips. You can also use the app to adjust noise cancellation, activate Dynamic Bass, manage connected devices, update firmware, and more.

### Philips sound signature

The custom drivers in these headphones are tuned to the Philips sound signature, which brings you warm, natural sound with deep bass. Whatever you're listening to, you'll love what you hear.

### Recycled materials

We use post-consumer recycled plastics in our products, and our packaging is made from FSC-certified recycled cardboard with inserts printed on recycled paper.

# Specifications

### Sound

Acoustic system: Closed
Frequency range: 20 - 40,000 Hz
Impedance: 16 Ohm
Sensitivity: 108±3dB (1 kHz, 1mW)
Speaker diameter: 40 mm
Maximum power input: 30 mW
Driver type: Dynamic
Hi-Res Audio

### Connectivity

Bluetooth version: 6.0
Bluetooth profiles: A2DP, AVRCP, HFP
Maximum range: Up to 10 m
Multipoint connection
Supported codec: SBC, AAC
Headphone socket: 3.5 mm

### Outer Carton

Length: 22.40 cm
Number of consumer packagings: 3
Width: 22.00 cm
Gross weight: 1.65 kg
Height: 25.50 cm
GTIN: 1 48 95229 17809 7
Nett weight: 0.81 kg
Tare weight: 0.84 kg

### Convenience

Philips Headphones app support
Google fast pair
Firmware updates possible
Type of controls: Button
Microsoft Swift Pair

### Power

Number of batteries: 1 pcs
Charging time: 2 h
Music play time (ANC on): 50 hr
Music play time (ANC off): 80 hr
Fast charging time: 5 mins for 4 hrs
Battery weight (Total): 14.8 g
Battery capacity(Headphones): 720 mAh
Battery type(Headphones): Lithium Polymer (built-in)

### Packaging dimensions

Height: 25 cm
Packaging type: Carton
Type of shelf placement: Hanging
Width: 21.2 cm
Depth: 6.9 cm
Number of products included: 1
EAN: 48 95229 17809 0
Gross weight: 0.500 kg
Nett weight: 0.270 kg
Tare weight: 0.230 kg

### Product dimensions

Height: 19.20 cm
Width: 16.60 cm
Depth: 8.20 cm
Weight: 0.24 kg

### Accessories
