Frequently Asked Questions (FAQ)

- **What is the Multipoint function and how does it work?**
  This feature allows you to connect the earphones simultaneously to two devices, such as a Smartphone and a laptop. **How do I connect the earphones to two devices?**
  1) Connect your earphones to your Smartphone via Bluetooth®.
  2) Disconnect the Bluetooth® from your Smartphone.
  3) Pair the earphones with a second device.
  4) Once the earphones are paired with the second device, turn on Bluetooth® on your Smartphone and connect them back to the first device.

- **Can I use the headset while charging the battery?**
  This is not possible for safety reasons due to compliance with current CE regulations.

- **How can I force the headphones to turn off?** Connect the charging cable and the charging cable to a 5V USB power adapter and the headphones will turn off automatically.

Tech Specs

Audio

- Frequency response: 20 Hz ~ 20 kHz
- Driver diameter: 40 mm
- Type: dynamic
- Impedance: 32 Ohm

Wireless connectivity

- Bluetooth version 5.4, class II
- Operating frequency: 2.4 GHz
- Maximum signal strength: < 20.00 dBm
- Supported Bluetooth profiles: HSP / HFP / A2DP / AVRCP
- Supported Bluetooth codecs: SBC / AAC
- Up to 20 metres range
- Hands-free function
- Google/Siri compatible voice assistant

Handsfree microphone

- Type: Built-in
- Sensitivity: -38dB ± 3 dB
- Frequency range: 100 Hz ~ 10 kHz

Battery

- Capacity: 400 mAh / 3.7 V
- Type: Lithium polymer
- Battery life at medium volume: 50 hours*
- Charging time: 3,5 hours
- Charging system: USB Type-C

*This is an approximate figure. Battery life depends on volume selected and type of music played.

Cable

- Length: 120 cm
- Connector: 3,5mm jack

Others

- Foldable design
- Adjustable headband
- Quck charge 15 min - 4 hours battery life

Safety and maintenance

- Do not expose the device to shock, dust, moisture or high temperatures.
- Do not apply corrosive or abrasive cleaning agents to the device.
- Do not disassemble the device. Any repair must be carried out exclusively by qualified Energy Sistem Technology, S.A. personnel.
- Be sure to keep the device switched off when not in use and do not leave it for a long period of time with the battery completely discharged.
- Keep the device and its packaging out of the reach of children and pets to avoid possible accidents.
- Do not use the device while driving a vehicle.

Prevention of hearing loss

Listening to music at high volume levels for long periods of time can cause permanent hearing damage. To avoid hearing damage, we recommend turning down the volume of the player before starting music playback and then gradually increasing the volume to a comfortable, moderate listening level.
