

HP 65W USB-C™ Auto Adapter

Extend battery life while on the go

Power and charge your notebook, tablet or phone¹ wherever you go with the HP 65W USB-C Auto Adapter, which connects to your car's cigarette lighter outlet.

Lighten your load on the road with a multi-purpose charger

Charge multiple devices, from phones to tablets to notebooks, with just one adapter that delivers scalable power delivery¹ through USB-C™. Once you connect, the adapter's handy LED lets you know it's ready to charge.

Charge two devices at once

Power and charge one device through the USB-C™ port¹ and charge another device through the USB-A port.¹

World-class support

Rest easy with a one-year limited warranty.

1. USB-C™ Power Delivery up to 65W.
See Product QuickSpecs for compatibility. USB-A power
delivery up to 5W.
