1. HP Smart app: Requires the HP Smart app download. For details on local printing requirements, see www.hp.com/go/mobileprinting. Certain features/software are available in English language only and differ between desktop and mobile applications. Subscription may be required; subscription may not be available in all countries. See details at www.hpsmart.com. Internet access required and must be purchased separately. HP account required for full functionality. List of supported operating systems available in app stores. Fax capabilities are for sending a fax only. For more information, see www.hpsmart.com.

2. Best-in-class print app: Compared to OEM printing apps for the majority of top-selling, network-capable inkjet/laser printers and all-in-ones for the home and office, priced ≤450 USD. Market share as reported by IDC Quarterly Hardcopy Peripherals Tracker – Final Historical CYQ4 2020. Claim based on research of printer manufacturer's print apps and Keypoint Intelligence hands-on testing and study April 2021 commissioned by HP. For details, please see: keypointintelligence.com/HPSmartApp

3. Shortcuts: Based on internal HP testing. Average timing estimate based on: (a) downloaded HP Smart app on mobile devices, (b) setting up Shortcuts, (c) scanning jobs which have more than two or three tasks associated with them (scan to email, save and rename, store to cloud, etc). Average time savings comparison based on using printer and desktop scan software to complete similar scanning tasks. Requires the HP Smart app and supported HP printer. For details on local printing requirements, see hp.com/go/mobileprinting.

4. Never run out: Based on plan usage, Internet connection to eligible HP printer, valid credit/debit card, email address, and delivery service in your geographic area.
